

**Gertie Rutten , Belgium** - *"Thank you so much for introducing me to India. It has been a wonderful experience in so many ways – the countryside, the temples, the food, the company of like-minded travellers. Your care and spirituality allowed me to open up to it all."*

**MORS MARIA , Polland** - *We would like to thank you and everyone involved for organising our recent tour to India. Our driver Saravanan was marvellous. His driving skills were meticulous and he was interesting companionship. We found the tour to be a perfect pace for us and the upgrade to the Innova the right choice. The guides all provided very comprehensive and interesting commentaries together with some humour thrown in..*

**CAYLA , CANADA** - *I'm now back in Canada after a more than 3 weeks of a much enjoyable trip in South India. I wanted to thank you very sincerely for your very good and truly efficient organization which has definitely contributed to the perfect smoothness of this trip. Everything was perfect: a very efficiently planned schedule, an itinerary perfectly adapted to what I wanted to see...*

**GUINET , PARIS** - *J'ai consacré neuf jours à visiter le Tamil Nadu selon un programme défini en accord avec Travel XS .Ce fut magnifique et parfaitement réussi. Le choix du véhicule comme du chauffeur-guide , celui des visites comme des hôtels était parfait ; la qualité toujours au rendez-vous ; le moindre de vos soucis devancé et réglé par la gentillesse et l'efficacité de toute l'équipe de South India*

**Lidvin, Denmark** - Thank you for organizing such a wonderful trip to India. I will admit when we first booked we had some trepidation going ... but we were exceptionally happy with our decision and would strongly recommend your service to others. The driver saravanan is excellent and the guides were too. The advice and guidance on hotels and activity selection were likewise excellent.
