

Villa Stazzo Le Saline

Located on the top of a hill near the Rocca dell'Orso, a rock shaped like a bear that is a landmark in the area, a few kilometres from the hotel, the Stazzo Le Saline was originally a typical dwelling of the Gallurese countryside, both a home and storage for agricultural products. A very careful renovation has preserved the memory of these origins: the beauty of the old building has remained intact and the essential taste for sobriety, typical of the interior design, furniture and furnishing of the past, has been maintained.

In the large garden that surrounds the pool, the myrtle, mastic and helichrysum plants frame the shapes of the granite rocks, merging their scents with the breeze from the very nearby sea. The pergola shades the outdoor space reserved for entertaining and for being entertained, while the dishes, which our guests can have the pleasure of preparing themselves, sizzle on the barbecue. The Villa is an ideal residence in a place of rare beauty for those who want a secluded, private and independent holiday, however with the opportunity and the pleasure of the company of friends and all the services of the Resort.

The Villa has 3 rooms (2 with sea view, 1 with garden view), 2 bathrooms with shower, big garden with private pool.
