Approximate fuel cost: 2.500,00 euros

Approximate mooring cost: 1.300,00 euros

*** What is the APA**

The APA (acronym of Advanced Provisioning Allowance), or cash on board, is that amount of money that is advanced for expenses concerning guests' food, fuel, port or marina costs, excursions, etc. Normally it is calculated as 30% of the value of the rental contract. At the end of the charter, the Captain will make the expense report available and any unused funds will be returned directly to the charterer. If the funds prove insufficient, the Captain will notify the charterer so that the yacht will always have sufficient funds available to pay the costs.

Naturally, the itinerary can be modified according to the needs of the guests.
