Milan – lake Como – Milan

- Meet your English-speaking driver at the lobby of your hotel
- Private car at disposal for full day
- Meet your English-speaking guide in Como

After one strong espresso over breakfast venture out for a full day excursion to the Famous Lake Como. **Lake Como** is one of the biggest lakes with a surface of 145 sq km and the deepest lake in Europe with a depth of 410 m. The lake has a bizarre “Y” shape with three extremities: the northern with Colico, the southeast with Lecco and the southwest with Como and right in the middle, the magnificent Bellagio, located on a peninsula.

Upon arrival meet your English-speaking guide for a 3-hour walking tour. Wander through the narrow streets and take in the sights and sounds coming from local shops and restaurants. In the center, you'll find the Gothic 14th-century **Cathedral of Como** and the 12th-century **Basilica di San Fedele**. Both are spectacular, inside and out. You can take a tour of one or both of these closely located religious sites. Facing the lake is the **Piazza Cavour** square, with many restaurants where you can sit and take in the view with a coffee, as well as a variety of gelaterias for a cold, delicious treat.

From the square, you will walk for 20 minutes to the sprawling **Villa Olmo** park and exhibition hall (entrance to the buildings and grounds is free). Your guide will show you around the villa and gardens before giving you some free time. If you would like to relax a while, there is a park near Villa Olmo with a pool and cafe. On a warm, sunny day, you can take a dip in the lake. After walking back to the center, visit the **Museo Didattico della Seta** (Museum of Silk) to learn about the region's historic silk industry, or head out onto the lake by boat after your tour ends.

After the tour enjoy your lunch at leisure (payable locally and the rest of the afternoon to wander around the lake
