## PRIVATE GUIDED TOUR OF POMPEII 4HRS

DATE

Friday, October 13<sup>th</sup> 2023

DURATION

MEETING

After a leisurely breakfast, today meet your driver and enjoy a half-day tour of Pompeii, upon arrival meet your guide for 2 hours walking tour

The archaeological excavations of Pompei revealed what remains of the ancient city of Pompei, buried under the ashes and lapilli, during the eruption of Vesuvius in 79, with Ercolano, Stabiae and Oplonti. The excavations, begun by the will of Charles III, are a very important testimony of Roman life: Pompei is the best preserved city of this period.

The large quantity of pieces such as frescoes, mosaics and statues, were very useful to understand the uses, traditions, eating habits and the way of life more than two thousand years before. The Pompei site, which was visited by more than two million people in the first ten years of the year 2000, was in 2010 the second most visited Italian archaeological site (the first was the museum system that includes the Colosseo, Foro Romano and Palatino).

# **PRIVATE GUIDED TOUR OF AMALFI COAST VILLAGES: AMALFI, POSITANO WITH WINE TASTING AND LUNCH AT TENUTE DI SAN FRANCESCO (8 HOURS)**

DATE

Saturday, October 14<sup>th</sup> 2023

DURATION

8 hours

MEETING

Today enjoy a drive along the stunning **Amalfi Coast** with your private car and driver guide for a full day tour. Dramatic, deluxe and more than a little dashing, **Positano** is the Amalfi Coast's front-cover splash, with vertiginous houses tumbling down to the sea in a cascade of sun-bleached peach, pink and terracotta. No less photo-worthy are its steep streets and steps, flanked by wisteria-draped hotels, smart restaurants and fashionable retailers.

Stop in Piazza dei Mulini (the most famous square in Positano), and walk through the narrow streets leading to the waterfront. These streets also lead to the cathedral and are characterized by shops selling lemons, shoes and clothing.

Enjoy a **wine tasting at the Tenuta di San Francesco In Tramonti**, in the heart of the Amalfi Coast, which produces rare, unique and authentic wines, from ancient and pre-phylloxera vines. (*Wine tasting and light lunch included*).

Tramonti, green and fertile valley of the Amalfi Coast, recognized as a Unesco World Heritage Site, is rich of terraces stolen from the mountains, planted with vineyards, lemon and olive groves. The steep slopes, sunny weather, warm breeze that blows from the Gulf of Salerno make the region perfect for growing wine grapes.

Tour the vineyard, one of Italy's most renowned, and learn about the traditional techniques and dedication to excellence which has earned Marisa Cuomo Winery both national and international recognition. Enjoy a superb lunch paired with local wines.

It is hard to grasp that pretty little **Amalfi**, with its sun-filled piazzas and small beach, was once a maritime superpower. For one thing, it's not a big place – you can easily walk from one end to the other in about 20 minutes. For another, there are very few historical buildings of note. The explanation is chilling: most of the old city, and its inhabitants, simply slid into the sea during an earthquake in 1343.
