Paris - Private guided tour (tbc)

Paris is one of the most beautiful and romantic cities in the world. The "Ville Lumière", or city of light, is enveloped in a cosmopolitan charm that has enchanted its visitors for centuries. A splendid European city that revolves around its river, the Seine, which divides Paris into two distinct areas: the rive droite (on the right) where you can see the **Arc de Triomphe (exterior view)** and the rive gauche, to the left of the river. Every area of the city is dotted with monuments, beautiful buildings, and many art-filled museums. You will cross the **Alexandre III Bridge** to reach the "**Champs Élysées**", one of the most famous and recognized avenues in the world. With stylish furnishings and a selection of quality items, the department store is a must-see for shopping in Paris. Another obligatory stop is the **Notre Dame Cathedral (exterior view)**, an architectural jewel of Gothic art inserted between the two arms of the Seine and also called "Stone Boat" for its grandeur. The Parisian cathedral, located in the eastern part of the Île de la Cité, represents one of the most famous Gothic buildings in the world and is one of the most visited monuments in Paris. You will also visit the **Opera Garnier**. The theater stands majestically in the square of the same name and offers mainly ballet since a new theater was built in the Bastille, where most of the singing shows are held. After a visit to the **Louvre Museum** a true journey through art history that exhibits 35,000 works of art from antiquity to 1848, one cannot help but pass through the Montmartre and Opéra districts. The "flagships" of the big brands flourish from the Champs-Élysées to rue de Rivoli. You will also visit the impressive architectural complex of the **National Palace of the Invalides (Hôtel des Invalides - exterior view)**. It was built in the 17th century as a residence for French soldiers who had served in the army.

Tickets included: Opera Garnier and Louvre Museum.
