To start the excursion, we will pick you up in a 16 seat van (small groups for luxurious comfort!) at 7-8am from the lobby of your hotel (or one close by).

After arriving at the Mayaland Hotel, we will head directly to the archaeological site through our private entrance.

Our certified tour guide will take you on a 2 hours tour exploring the secrets of the ancient Mayan Civilization.

Your guide will explain the historical significance of all the most important temples of this ancient city before leaving you to enjoy Chichen Itza at your own pace.

Admire the Pyramid of Kukulcán, one of the 7 Wonders of the New World, the Temple of the Warriors, The Ball Court, The Observatory, The Nunnery and beautifully conserved smaller temples in their vicinity. Take as many pictures as you like!

After your visit to the site, you will enjoy a delicious buffet lunch at the Mayaland Hotel. During lunch, you will be entertained by our traditional Yucatan music and dance performances by the Mayaland regional ballet.

We will depart from Chichén Itza to go to Merida. *This tour is a full 12 hour day.*

Spend a day exploring the Maya metropolis of Uxmal and the excavated temples at Kabah. Walk the sabecs (pathways), stand before the Pyramid of the Magician and marvel at the ornate carvings on the Palace of the Masks.

Admire the UNESCO World Heritage Site at Uxmal, where the well-preserved temples and grounds provide a genuine feel for what life was once like at this ceremonial centre. Walk across the ball court, where a ritual Mesoamerican ball game was played. At the stepped Pyramid of the Magician, learn about the Maya folklore of the temple – legend holds that it was built overnight during a series of magical challenges between a king and a dwarf. Relish a delectable lunch at either the Hacienda Uxmal or in the Lodge of Uxmal's gardens.

Next, make your way to Kabah – the 2 sites are connected via an 11-mile (18 km) pedestrian path or *sabec* – and stand before the dizzying façade of the Palace of the Masks. With no freshwater cenotes welling up from the ground in this part of the Yucatán, the Maya here relied solely on rain.

Before heading back to Merida, enjoy the pool and gardens of the beautiful Hacienda Uxmal Hotel.
